AMERICAN ACADEMY BOARDING SCHOOL: A GATEWAY TO EXCELLENCE IN EDUCATION

Education is a fundamental cornerstone of human development, and its quality plays a vital role in shaping an individual's future. For students seeking a holistic educational experience, the American Academy boarding school is considered a worthy choice.

ACADEMIC EXCELLENCE

At the heart of the American Academy Boarding School is its unwavering commitment to academic excellence. The school offers a comprehensive and challenging curriculum that prepares students for success in the global academic arena. The curriculum is designed to be both rigorous and flexible. It accommodates the diverse interests and goals of its students, fostering intellectual curiosity and a passion for learning. A dedicated faculty, including experienced educators and specialists in various fields, provides students with the tools and knowledge necessary to excel.

The school accommodates the diverse interests and goals of its students, fostering intellectual curiosity and a passion for learning.

In addition to its academic offerings, the students are encouraged to explore a wide range of subjects, including the arts, sciences, humanities, and more. The American Academy Boarding School provides a rich array of extracurricular activities, including sports, clubs, and cultural programs. These activities allow students to develop their talents and interests beyond the classroom, fostering well-rounded individuals who are prepared for the challenges of the real world.

BOARDING HOUSE

Our Boarding House is equipped with study areas where students can gather in pairs to work on projects or conduct research. Communal Areas can be found in both Houses for students to live in comfort with all the amenities they may need. For international students we offer the chance to attend our Boarding House, located very close to our Secondary School Campus. The students reside in a comfortable, safe and homely accommodation with 24 hour supervision every day by trusted and experienced House Parents.

Bedrooms are available with a single bed or with two beds, depending on availability and price range. Each room can be altered and styled in accordance to student or parental preferences with all necessities that students require. The students have access to school premises whenever needed, Wi-Fi access in their rooms, three meals a day prepared by a professional chef as well as fun and educational excursions on Bank Holidays when the school is closed and on weekends.

House Parents are there to provide 24 hour supervision every day of the week as well as qualified after-school tutors dedicated to helping our Boarders with their homework. During free time and weekends, various fun activities and excursions are organized in accordance to the student's preference and schedule.

Our Boarding House is fitted with private rooms, a kitchen, bathroom and a living room. Boarders can relax in one of the Common Areas by watching TV, play video games, read books or even play board games.

WHY CHOOSE CYPRUS

- WHY CHOOSE US?

Located between three major continents, Cyprus has long been known as a multicultural centre of historical significance. With a history dating back millennia, people come to Cyprus from all over the world to be a part of this amazing country and to experience the diversity that can be found in every corner of the island.

Students from all over the world choose to study here for the rich heritage that envelopes the cities and the ability to explore the island's history in its entirety, whether that is visiting the Kourion ruins, the Tombs of the Kings, the Medieval Castle of King Richard the Lionheart or many other historical sites.

The blending of the cultures has resulted in a balanced curriculum that caters to our students' international as well as local university prospects with successful entry into institutions in the US, the UK, Russia, the Middle East, Europe, Canada, Australia and Asia.

That is not to say that our school only focuses on the academic achievements of our students but also the cultivation of all aspects of their personality that would help them build a wholesome sense of self. We encourage students' athletic and artistic skills through a variety of clubs and competitions.

We look forward to welcoming you to our beautiful island in person.

HISTORY AND LEGACY

The American Academy Boarding School, situated in the picturesque city of Limassol, Cyprus, stands as an exemplar of academic excellence, cultural diversity, and personal growth. With a rich history dating back to its founding in 2001, the American Academy Boarding School has consistently upheld its commitment educational excellence, providing students with a comprehensive education, preparing them for success in the 21st century.

Established in 1986, the American Academy's celebrated legacy has enabled it to adapt and evolve with changing times, ensuring that it remains relevant and effective in fulfilling its educational mission.

SCHOOL LIFE

Solidarity and unity bring our student body together, while a number of school events create a sense of family between all the ages and nationalities that can be found within our school. All students are given the opportunity to expand their intellectual and emotional growth through positive encouragement.

Diversity is key in helping students develop a healthy outlook on life. Creating an environment where students can feel safe to express themselves allows them to develop into open minded caring individuals who will have many things to offer those around them throughout their lives. Bullying is not tolerated in any form.

During the Academic Year, we offer a number of activities and events that allow students to develop new skills and areas of interest. Boarders play a very important part in these events as it gives them a chance to enhance their leadership qualities and skills.

We make sure students develop positive attitudes toward others as well as learn to respect other cultures, and ethnicities. We invest in our students as a whole, making sure to equip them with the knowledge and confidence to make the best decisions they can about life, school and personal relationships with those around them.

CURRICULUM

American Academy Limassol follows the British National Curriculum preparing students for IGCSE, A-LEVELS qualifications and also offer the government Greek Language exams. Upon graduation our students, in addition to their external qualifications also receive the American Academy School leaving certificate (Apolytirion) which is accredited by the Ministry of Education and Culture in Cyprus.

Graduates of American Academy Limassol are eligible for entry to British, American, Australian, European and other universities globally.

EXTRA CURRICULAR ACTIVITIES

Clubs and extracurricular activities are offered outside the school hours.

Students can also participate in the international Duke of Edinburgh Award which encourages students to explore their survivalist and leadership skills whilst also providing them with lifelong skills and qualifications.

UNIVERSITY PREPARATION

As students prepare for their future, one of the primary goals of the American Academy is to help them gain admission to prestigious universities. The school provides comprehensive university counselling services, assisting students in selecting appropriate universities, preparing applications, and navigating the complex admissions process.

CULTURAL DIVERSITY AND GLOBAL PERSPECTIVE

One of the outstanding features of the American Academy is its embrace of cultural diversity. Situated in Cyprus, a bridge between Europe and the Middle East, the school attracts students from various backgrounds and nationalities.

The American Academy understands the importance of a global outlook in the 21st century. By immersing students in an environment that promotes cross-cultural understanding, the school prepares them to navigate an increasingly interconnected world. This diversity enriches the educational experience, fostering tolerance, open-mindedness, and a global perspective.

PERSONAL GROWTH AND INDEPENDENCE

The American Academy Boarding School endeavours the fostering independence, self-reliance, and personal growth. Students live in our boarding facilities, away from the comforts and support of home, which provides them with a unique opportunity to develop essential life skills.

Living in a boarding school setting, students learn to manage their time, make decisions, and solve problems independently. These experiences build resilience and prepare them for the challenges of adulthood. The structured environment of the school, with faculty and staff who serve as mentors and guides, ensures that students receive the support they need to flourish.

The American Academy Boarding School prides itself on creating a sense of community where students, teachers, and staff work together in pursuit of academic and personal growth. Our school ensures that teachers can provide personalised attention, fostering strong teacher-student relationships.

SAFETY AND SECURITY

The American Academy Boarding School prioritises the safety and security of its students. The school has stringent security measures in place to protect the well-being of its students. Parents and guardians can have peace of mind, knowing that their children are in a secure and nurturing environment.

The safety measures extend beyond physical security to include emotional well-being. The school fosters a supportive atmosphere that encourages open communication, ensuring that students can reach out for help or guidance whenever needed.

Time and time again it has been proven that the American Academy Boarding School in Limassol, Cyprus, stands as a beacon of excellence in education. Its rich history, unwavering commitment to academic excellence, and emphasis on cultural diversity and personal growth make it a unique and exceptional institution. By providing students with a supportive and challenging environment, the school prepares them for a successful future, fostering a sense of independence, resilience, and a global perspective. The American Academy Boarding School not only equips students with the knowledge and skills necessary for academic success but also nurtures their personal development, helping them become well-rounded, confident, and adaptable individuals ready to face the challenges of the 21st century.
