

AMERICAN ACADEMY
Private School

SUMMER SCHOOL

11 – 18 YEARS

Our Summer School
is dedicated to enhancing students'
academic skills.

We give your child the confidence to
return to school, ready to excel and
improve their grades.

Our caring and experienced teachers
lead engaging lessons and interactive
activities, fostering a love for learning
alongside new friendships.

Join us for a summer
where academic growth meets
unforgettable memories!

Every day begins with the **English Language Enrichment Programme**, setting the stage for a day filled with discovery and learning.

After lunch, your child will join one of our exciting **Option Programmes** in **Business, Science, or Art & Film making**, tailored to ignite their personal passions. If you prefer, your child can opt for the **Extra English** option instead.

The day ends with engaging **Personal Development sessions** and **Sports & Games** on the beach, ensuring a well-rounded and energetic summer experience.

MORNING

English Language Enrichment Programme

FOR EVERYONE:

Effective
Writing Skills

Robust **Vocabulary**
Development

Critical **Reading**
Comprehension Skills

Masterful **Listening and**
Speaking Techniques

AFTERNOON

Options Programme

OPTION 1 **BUSINESS**

Students enhance skills in innovation, leadership, and strategic thinking, cultivating an entrepreneurial mindset and the confidence to excel in business studies.

OPTION 2 **SCIENCE**

Students explore scientific concepts through fieldwork and experiments, developing critical thinking and applying scientific methods to real-world challenges.

OPTION 3 **ART & FILM MAKING**

Students develop artistic techniques and learn about filmmaking in a professional production studio, achieving greater self-expression and innovative thinking.
